11.	SCAT Airline JSC
12.	Aviation Training Centre LLP (ATC “Balapan”)

Testing is conducted by AAK designated examiners of the respective organizations using test assignments approved for year 2026.

To undergo testing, the applicant shall submit an application to an examiner or to an organization providing testing and provide an identification document (passport), aviation personnel licence (all pages containing entries), its attachments (if any), and a medical certificate of the appropriate class.

If the applicant chooses an examiner independently, the applicant must obtain approval of AAK of the selected examiner before undergoing the testing (examiners@caa.gov.kz).
